GENERAL INFORMATION

- Candidates are advised to carefully populate appropriate fields meant for surname and other names as you want it to appear on your certificate; any error that arises from this may lead to candidates' disqualification.
- Courier enabled address should be written in place of contact Address
- ***The College website is the only veritable medium by which eligible candidates list and approved Timetable will be published. Therefore, candidates should check the College website for the approved list of eligible candidates and examination timetable a month to the examination and should not solely rely on the automated approval slip received.***
- The College reserves the right to change candidate's examination venue at any time it deems necessary. All applications are expected to be executed online; NO hard copy of any document is expected to be submitted to college.
- Note on deferment: *Deferment of examination after submission of application or refund of examination fees after payment would not be entertained.*
- ***Candidates are to upload all relevant documents after payment has been made on the portal and click on 'submit' button before their applications can be validated.***
