

WEST AFRICAN COLLEGE OF SURGEONS

4, Harvey Road, Yaba, Lagos

ADVERTISEMENT FOR PLUMBING AND WATER SYSTEMS MANAGEMENT AND REPAIR SERVICES

The West African College of Surgeons invites qualified and experienced Plumbing and Water Systems Management Firms to express interest in the management, routine maintenance, and repairs of the water and plumbing infrastructure of a 6-floor high-rise office building located at 4 Harvey Road, Yaba, Lagos.

SCOPE OF SERVICES:

1. Routine maintenance and repairs of borehole and submersible pump systems
2. Inspection, cleaning, and repair of underground and overhead water storage tanks
3. Maintenance and repair of plumbing networks, valves, and fittings
4. Supervision, maintenance, and repair of aeration and water treatment systems
5. Operation, maintenance, and repair of sewage and wastewater treatment facilities

ELIGIBILITY CRITERIA:

Evidence of valid company registration with the Corporate Affairs Commission (CAC)

Verifiable experience with similar high-rise or institutional facilities

Evidence of qualified technical personnel & valid registration with relevant professional bodies

Three (3) years' valid tax clearance certificate

References from past clients (minimum of two)

SUBMISSION METHOD:

Proposals must be submitted electronically to info@wacsoac.org with the subject line:

"Proposal for Plumbing and Water Management – 6-Floor Building"

Additionally, submit one (1) hard copy of the spiral-bound company profile and relevant supporting documents to the College Secretariat. A register must be signed upon receipt of this package

SUBMISSION DEADLINE: 9th June 2025.

SITE INSPECTION (STRONGLY RECOMMENDED):

The facility will be available for inspection on Weekdays between 2:00 PM and 3:00 PM.

Dr. Adewale C. ADEKUNLE

Head of Administration

For: Secretary-General (WACS)
